O R D E R NO. RD 108 GNA 61,

DATED, BANGALORE, THE 15TH FEBRUARY 62,
Magha 26, S.E.1883.

The Forest Plantation Area in Davangere comprising an area of 37 acres 37 guntas situated near Davangere City was formerly a tank and was breached in 1944 as an Anti-Malarial Measure.

2. The Municipal Commissioner, Davangere City Municipality and the President City Municipal Council, Davangere have stated that the big feeder halla runs in this area and as it has not been provided with revitment on either side, storm and sewage water stagnates here and there and thus it has become a potential breeding centre of mosquitos, affecting the health of the public of the surrounding area. The Municipal Authorities have requested for the grant of this area for the extension of the Cattle Shandy Maidan, for forming suitable sites for location of Primary and Middle Schools as also for forming play-grounds, public parks etc.

3. The Forest Department is of the view that since there is no forest area round about and since there are no water

.....2

facilities, the forest nursery would not thrive in the black cotton soil and that the area might be released to the City Municipality for the construction of pucca drainage, maintenance of parks and for other public purposes subject to such terms and conditions as Government may prescribe. The land is valued at Rs.1,000/- (Rupees one thousand only) per acre excluding the malki which has been raised by the Forest Department.

4. The City Municipal Council, Davangere have at a special general meeting held on the 12th April, 1960 resolved to execute an agreement agreeing to the conditions specified in the draft agreement sent to them and to pay a sum of Rs.10,000/- being the nominal value of the entire land along with an amount of Rs.5,000/- due to the Forest Department in respect of the work already executed by them on the land (together with the non-agricultural assessment as per rules).

5. Government are therefore pleased to accord sanction to the grant of this area of 37 acres 37 guntas situated to the west of davangere tank bed margin to the Davangere City Municipality for being utilised partly as a Public Park and partly for other public purposes like location of cattle shandy maidan, Compost Yard, Municipal Schools and Play-ground and construction of masonry sewage drain etc., at a nominal value of Rs.10,000/- for the entire extent and subject to the following other conditions viz.,

(1) The City Municipality, Davangere shall pay to Government a sum of Rs.5,000/- spent by the Forest Department on the plantation of trees already made on the said land.

(2) The City Municipality, Davangere shall use not less than 15 acres of the said plot of land for a public park keeping it always green for the recreation of the public.

(3) The sisam and eucalyptus trees standing on the said land shall be retained as far as possible and new shady trees shall be planted after removal of such babul trees as may be standing thereon at the date of this grant.
